NEIGHBORHOOD HOUSE NURSERY SCHOOL SCHEDULE OF RATES 2022-2023

Dear Parents:

Neighborhood House is not increasing tuition for 2022-2023 school year in recognition of the difficult times that COVID has caused both financially and emotionally. Tuition will be subject to change in the future. Below are the tuition rates for the upcoming school year. Once acceptance letters are sent out in February, families will be asked to sign a tuition contract and send in a 20% non-refundable deposit. The deposit will officially secure your child's spot for the 2022-2023 school year. Monthly installment payments will be billed the first of each month from August 2022 through May 2023. Payments are based on your child's schedule as follows:
